

MERRY CHRISTMAS

2018

GOD IS FAITHFUL

Hello! Thank you so much for your prayers, and support to us especially during this transition time! The word God gave us has been the word **FAITHFUL**. God has been *faithful* through every twist and turn of our journey as we have held fast onto Him.

"Let us hold fast the confession of our hope without wavering, for he who promised is faithful."

Hebrews 10:23

It has been nice being back in the states over the holidays to spend some time with family and friends. This truly has really been a healthy time of refreshment and rest that we needed.

We have some very exciting news we would like to share with you! There is an opportunity to become part of the team at Challenge Farm, in Kitale, Kenya. **CHALLENGE FARM** was founded by Cheri Thompson in 1999 and today has welcomed over 195 abandoned and orphaned children, providing them with a safe place to live and go to school. Amy was Cheri Thompson's stateside personal assistant for seven years and Maverick and I went there together in 2014. To read more on Challenge Farm visit: www.challengefarm.org. (*Maverick actually designed their website a few years ago!!*) So, with that said, we have decided to pursue this opportunity to possibly work there long-term.

We will be leaving for Kenya in February! The plan is to go for 3 months on a tourist visa to shadow some workers already there, and then we will come back to the States after that to get a work visa which is needed to stay there long-term.

We have a deep love for Africa and children, along with our love and passion for the Chinese. We believe God's timing is perfect, and our time in China matured us in so many different ways. There are many opportunities to show God's love in Kenya, and there are even Chinese construction workers right near where we are going in Kenya! We believe there is a bridge God wants to build between Africa and Asia, and

that His heart is to bring unity to ALL nations through His son Jesus Christ.

We will be traveling the first of the year, January 2019 and our intineration schedule is above. *We would love to see you before we go to Kenya!* We pray you and your family have a very merry Christmas!
